

# Zeel Patel

Kitchener, ON. +1 (226) 577 5330

Email: pzeel1330@gmail.com

Portfolio: zeelpatel.tech

With a solid foundation of 3 years in web development, I am eager to transition my career into UX/UI design. My hands-on experience uniquely positions me to bridge the gap between design and development, ensuring the creation of seamless and user-friendly digital experiences.

## WORK EXPERIENCE

### Junior Web Developer

at Bugle Technologies

Based in Ahmedabad, GJ, IN.  
March 2021 – July 2022

Remote Work

Contributed as a Junior Web Developer, elevating technical expertise and actively participating in enhancing web development processes.

Collaborated seamlessly with colleagues, fostering practical experience and refining coding, problem-solving, and project collaboration skills.

Ensured the timely delivery of high-quality web solutions, consistently meeting specified project deadlines.

### Intern Web Developer

at Liom It Hub

Based in Ahmedabad, GJ, IN.  
Sep 2020 – Feb 2021

On-Site

Acquired hands-on experience in web development, engaging in real-world projects that provided valuable insights into the entire development lifecycle.

Collaborated effectively with the development team, contributing to the successful completion of projects.

Applied coding skills and problem-solving techniques under the mentorship of experienced professionals, gaining practical knowledge and refining technical abilities.
